**Subject:** NEW: COVID-19 emergency support available to Minnesotans  
Below is an email from Dean Phillips regarding the availability of emergency loans from the SBA

Dear Larry,

This week, I joined our entire Congressional Delegation in petitioning the Small Business Administration (SBA) to provide assistance to Minnesota businesses following significant economic impacts from the coronavirus (COVID-19) pandemic.

**I'm reaching out to let you know that [Minnesota small businesses are now eligible for the SBA Economic Injury Loan Program and can apply by clicking here.](#)**

In Minnesota, small businesses are the economic engines of our communities - and even if you don't own one yourself, chances are you or someone you love depends on the goods, services, or employment that a small business provides. Please share this information with the small businesses in your neighborhood and continue to support one another in these uncertain times.

I'll do my best to keep you informed. My team and I have launched a coronavirus information center at [phillips.house.gov/coronavirus](http://phillips.house.gov/coronavirus), where you'll find useful and up-to-date information, and I invite you to continue sharing your ideas and stories with me.

As my heart breaks for the immeasurable suffering of so many, I'm laser focused on the mission to get us through this as healthy, economically sound, and prepared for the future as possible. We shall overcome - together.

Keep the faith, keep in touch, and stay safe,
